The screenshot shows a web application interface. At the top, there is a yellow header bar. On the left of the header is a small logo featuring a cartoon character. To its right is a 'Home' link. Further right is a search bar with the word 'Search' inside, and a red 'Search' button to its right. On the far right of the header are two red buttons labeled 'Login' and 'Register'. Below the header is a large pink rectangular area. In the center of this area is a white rounded rectangle containing the login form. The form is titled 'Login' in bold red text. It has two input fields: the first is labeled 'Your UserName' with a small person icon to its left, and the second is labeled 'Password' with a small lock icon to its left. Below these fields is a red 'Login' button. To the right of the login form, within the same white rounded rectangle, is a video player showing a man in a military uniform, likely Winston Churchill, gesturing with his hands. Two blue arrows point from the text on the left to the 'Your UserName' and 'Password' fields respectively.

The image shows a web interface for creating a new post. At the top, there is a navigation bar with a logo on the left, a 'Home' link, a search bar with a 'Search' button, and three buttons: 'Create a Post', 'User Profile', and 'Logout'. The main content area has a light pink background. In the center, there is a white rounded rectangle titled 'Create New Post'. Inside this rectangle, there are two text input fields: the first is labeled 'Title' and the second is labeled 'Your post'. Below these fields is a red 'Submit' button. Three blue arrows point from French text labels to the form elements: one from 'Entrer titre de votre post' to the 'Title' field, one from 'Entrer le corps de votre post' to the 'Your post' field, and one from 'Enregistrer le post' to the 'Submit' button.
